

# GENERAL SERVICE PUMP

PUMP MODEL

# CN

Catalog No. CP1103E\*

## Design

Foot support, Axial split  
Single or Double Volute casing  
Double suction impeller  
Max. Parts Interchangeability  
Low NPSH performance

## Application

Water Circulation  
Water Intake  
Fire Fighting  
Other Industries

Rating	
Capacity	upto 15000 m <sup>3</sup> /h (66000 U.S.gpm)
Head	upto 200 m (660 ft)
Temperature	upto 120°C (248°F)
Flange Rating	ANSI Class 150 lb as a standard Other standards are also available
